

As Shown: Steel Blue Over White Glass Shade, Black Steel Hardware

Ombre Pendant

This versatile dome pendant light offers modern design and minimalist aesthetics. The handblown glass shade provides diffused lighting. With its generous diameter, this pendant makes a statement paired above an island or table, and can make a centerpiece in a lobby or entryway. The semi-opaque shade silhouette is available standard in Steel Blue Over White glass. Features black powder coated steel hardware. Total light length specified upon order.
