As Shown (Installed in Showroom as Double Bench on Concrete Pad):
2 Atlas Bench Seat Units

Atlas Bench Seat

The Temper and Grit Atlas Bench offers flexibility in design for outdoor settings. Designed as individual, modular units, each bench unit features one cantilevered powder coated stainless steel seat finished with hardwood slats. The units bolt to ground with brass hardware provided. Individual units can be combined to form a double bench (as shown). The corresponding Atlas Bench Chair Back can be added to each unit to form a single or double bench with back support. Available in standard and custom finishes. The Atlas Bench Seat and Chair Back are Declare Label product.
