

As Shown: Inflate Flute in Neutral Grey

Inflate Flute

Part of the Penn + Fairmount collection by Jason Forck for the Pittsburgh Glass Center, Inflate is a line of elegantly balanced, blown glass tableware. Made with beauty and function in mind, Inflate Flutes pair beautifully with coordinating cups for home and hospitality. Available in nine standard glass colors. Food and beverage safe. Hand washing recommended.

DIMENSIONS

Approx. 5"H x 2"Diameter

VARIANTS

- | | | |
|-----------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|
|  Clear |  Gold Topaz |  Royal Blue |
|  Coral |  Neutral Grey |  Spring Green |
|  Cranberry |  Orchid |  Steel Blue |

FINISH OPTIONS

Specify glass variant(s) upon order. Because each glass is handmade, expect variation in size from piece to piece. Custom glass colors available.
