ABOUT THE PRODUCER

Curtis Reaves' passion and strength is founded in his ability to repurpose discarded materials and found artifacts and transform them into distinct pieces that have a lasting impact. Debuted in the **Monmade x CDCP Art Print Collection**, Curtis offers sustainable fine art photographic prints for the built environment. The foundation and uniqueness of his work are influenced by the process of envisioning the countless possibilities unearthed in discarded materials. Curtis is inspired by shapes, textures, and composition, and he finds the most interesting things in unexpected places.

SUSTAINABILITY INFORMATION

Meets sustainably**Monmade** Dimensions

- Producer Used 100% reclaimed materials when creating artwork
- Producer prints on responsibly soured papers using in-house Energy Star archival inkjet printers. He works with local material resources, including framing. Occasionally, he uses a print supplier in California that is sourcing environmentally responsible materials
- Producer currently works out of his home studio and sometimes **Protohaven**, a shared maker space in Wilkinsburg, PA, while renovating a future studio space in a historic 6,000 sq. ft. building McKeesport, PA (both in LMI areas)
- Curtis Reaves Design Studio is a minority-owned business and runs programs to educate, train, and empower young artists
- Partial proceeds from producer's artwork sales are contributed to C-Clear, his non-profit developing entrepreneurial initiatives through creative arts, technology, and leadership programs
