**ABOUT THE PRODUCER**

**Ignacio Lopez's** artwork is inspired by alchemical illustrations and the Japanese concept of Ma, the space or gap between two structural points. He uses these themes to explore shape and space to find a resonating composition. Focusing on screen printing, painting, and drawing, Ignacio introduces a versatile selection of prints through the **Monmade x CDCP Art Print Collection**. His print collection includes six distinct works each available in multiple colorways.
