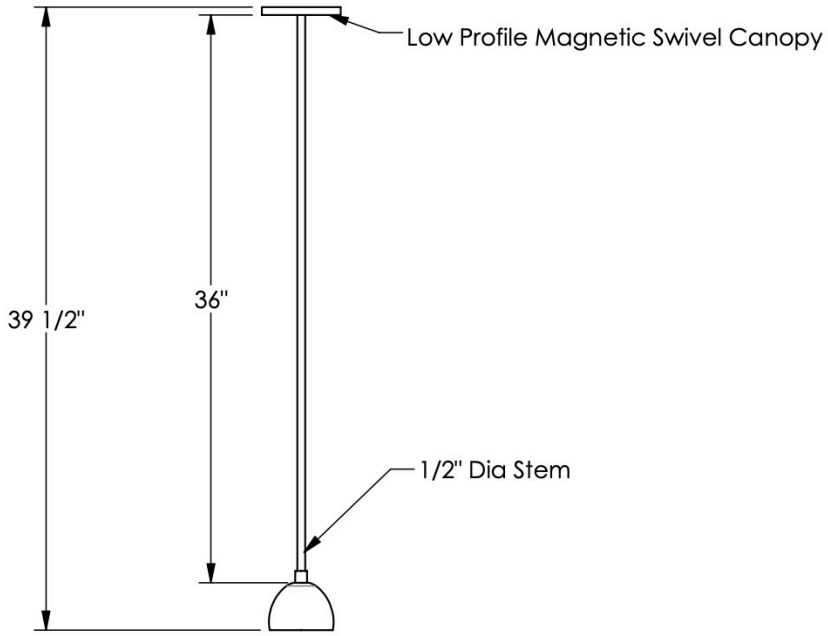
Wallace Pendant

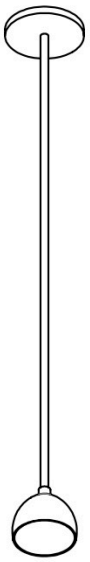
Arranged individually or in clusters, these modern pendants from **SPACAPAN** are designed to make a statement while reflecting a minimalist aesthetic.

The shortest **Single Glass Shade Wallace Pendant** offers one handblown mauve-colored shade, while the **Double and Triple Glass Shade Wallace Pendants** offer cascading shades with varying densities of the mauve pigment.

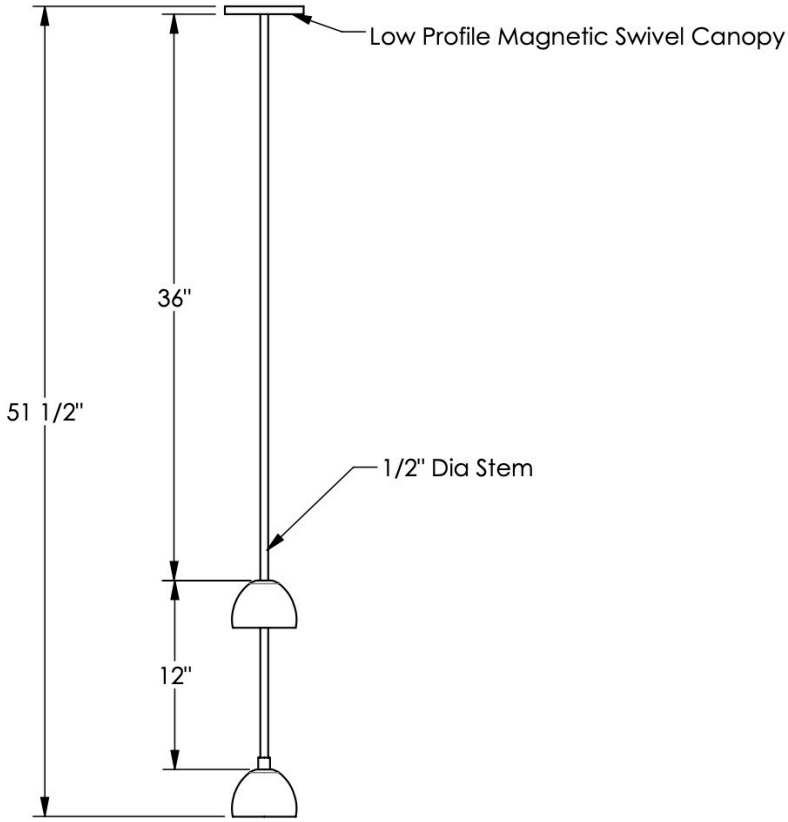
All variants feature brass-toned powder-coated hardware with a low-profile magnetic swivel canopy, allowing for a concealed hardware system. See the following pages for Hardware Assembly Details for the three pendant variants.

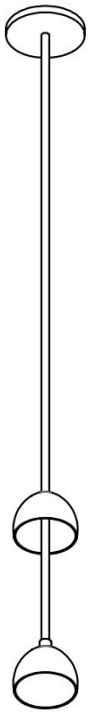
HARDWARE ASSEMBLY FOR SINGLE GLASS SHADE PENDANT



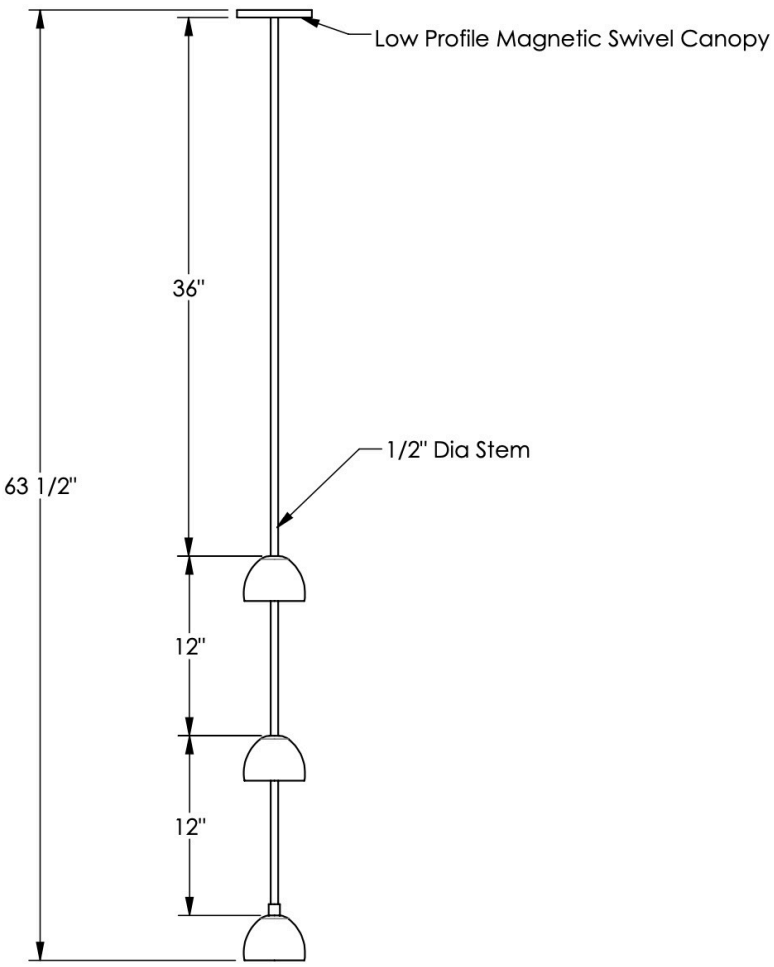


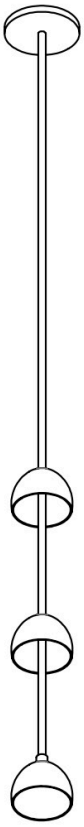
HARDWARE ASSEMBLY FOR DOUBLE GLASS SHADE PENDANT





HARDWARE ASSEMBLY FOR TRIPLE GLASS SHADE PENDANT





ABOUT THE PRODUCER

SPACAPAN is a woman-owned and operated artisanal glass company. Featuring repeating forms and designed to make a subtle statement, SPACAPAN lighting reflects the minimalism of artist Margaret Spacapan's fine art sculpture. SPACAPAN's glass pendants are hand-blown, cut, ground, and polished for long-lasting beauty and durability.

SUSTAINABILITY & CERTIFICATIONS

Compliance with LEED V4 credits:

Interior Environmental Quality Interior Lighting Regional Priority

Materials & Resources

Meets sustainably**Monmade** Dimensions

- Woman-owned creative business
- Glass components utilize 90% clear glass from the **Pittsburgh Glass Center**, a LEED Gold-certified production facility; material waste from the manufacturing process is recycled into new products and/or donated back to the facility for future reuse
- Utilizing a LEED Gold-certified facility provides SPACAPAN with environmental benefits, including natural lighting, increased ventilation, reduced air quality pollutants, and reduced water usage
- Hardware components feature low -VOC powder-coated finishes, and all connections are dry (no adhesives used during assembly)
- Made in collaboration with supporting lighting manufacturer located within a 35-mile radius of SPACAPAN's primary facilities; this EPA compliant manufacturer provides hardware assembly and provides UL Listed Components

MADE IN THE U.S.A.

- Produced by SPACAPAN
- Manufacturing in Pittsburgh, PA
- Hardware assembly in Derry, PA

FEATURES & BENEFITS

- Handblown glass pendant shades
- Density of mauve pigment in glass varies to enhance the visual effect offered by groupings of Wallace Pendants
- Each shade: approx. 2.75"H x 4.375"Diameter
- Brass-toned powder-coated steel hardware, including a magnetic swivel canopy
- Lead time: approx. 12-16 weeks

TECHNICAL INFORMATION

- Single Glass Shade Pendant:
  - 39.5"L x 4.375"Diameter
- Double Glass Shade Pendant:
  - 51.5"L x 4.375"Diameter
- Triple Glass Shade Pendant:
  - 63.5"L x 4.375"Diameter
- Dimmable LED Module (UL Components)
- Suitable for interior dry applications
- Fixture is supplied with hardware for attachment to a 4" octagonal junction box

FINISH OPTIONS

- Specify variant(s) upon order
- Custom lengths, glass colors, and hardware finish options available
- UL Listed Medium Socket option available upon request

CARE & MAINTENANCE

- Shipped using recycled packaging
- Installation instructions provided
