Ginkgo Pendant, Evergreen

Ginkgo Pendant, **Evergreen**

Lizzee Solomon's playful, nature-inspired aesthetic comes to life in the **Ginkgo Pendant.** Blending digital fabrication with handcrafted assembly, each pendant features CNC-cut acrylic leaves layered around a 5" round LED globe bulb—creating a sculptural glow that feels both modern and organic.

The pendant's design reflects Lizzee's commitment to joyful, sustainable art. Produced in small batches using efficient laser-cutting techniques, each fixture is assembled in Pittsburgh, PA with care and precision.

Available in a range of bold colors—including **Cobalt**, **Lilac,** and **Evergreen (shown here)**—the Ginkgo Pendant brings warmth and whimsy to any space. For use with a 5" round LED globe bulb, recommend ed and included.

ABOUT THE PRODUCER

Lizzee Solomon's work blends folk art traditions, bold color, and digital fabrication to create vibrant compositions that spark imagination. Influenced by her time studying *alebrijes* in Mexico and her expertise in mixed media, Lizzee embraces both handcraft and technology to produce joyful, accessible art. With **Green Leap**, she debuts the Ginkgo Pendant, a sculptural fixture inspired by the resilience of the ginkgo tree. Featuring CNC-cut leaves, this pendant casts a soft, ambient glow, bringing organic warmth and playful elegance to any space.
